On the First Day of Christmas

Composed by AVEC members in St. Mary's after they received power on December 28, 1969

On the first day of Christmas AVEC gave to us, a candle in a spruce tree.

On the second day of Christmas AVEC gave to us, 20 shining tanks and a candle in a spruce tree.

On the third day of Christmas AVEC gave to us, a network of lines, 20 shining tanks and a candle in a spruce tree.

On the fourth day of Christmas, AVEC gave to us, meters for the homes, a network of lines, 20 shining tanks and a candle in a spruce tree.

On the fifth day of Christmas AVEC gave to us, 60 booming hertz, meters for the homes, a network of lines, 20 shining tanks and a candle in a spruce tree.

On the sixth day of Christmas AVEC gave to us, 2 hours of darkness, 60 booming hertz, meters for the homes, a network of lines, 20 shining tanks and a candle in a spruce tree.

On the seventh day of Christmas AVEC gave to us, 10 hungry men, 2 hours of darkness, 60 booming hertz, meters for the homes, a network of lines, 20 shining tanks and a candle in a spruce tree.

On the eighth day of Christmas AVEC gave to us, 120 wee volts, 10 hungry men, 2 hours of darkness, 60 booming hertz, meters for the homes, a network of lines, 20 shining tanks and a candle in a spruce tree.

On the ninth day of Christmas AVEC gave to us, Little Baby Bear, 120 wee volts, 10 hungry men, 2 hours of darkness, 60 booming hertz, meters for the homes, a network of lines, 20 shining tanks and a candle in a spruce tree.

On the tenth day of Christmas AVEC gave to us, strong Mother Bear, little Baby Bear, 120 wee volts, 10 hungry men, 2 hours of darkness, 60 booming hertz, meters for the homes, a network of lines, 20 shining tanks and a candle in a spruce tree.

On the eleventh day of Christmas AVEC gave to us, Big Father Bear, strong Mother Bear, little Baby Bear, 120 wee volts, 10 hungry men, 2 hours of darkness, 60 booming hertz, meters for the homes, a network of lines, 20 shining tanks and a candle in a spruce tree.

On the twelfth day of Christmas AVEC gave to us, 200 kilowatts, Big Father Bear, strong Mother Bear, little Baby Bear, 120 wee volts, 10 hungry men, 2 hours of darkness, 60 booming hertz, meters for the homes, a network of lines, 20 shining tanks and a candle for any emergency.

Little Bear, Mother Bear and Big Father Bear are the names given by the children at St. Mary's to the 100-, 200- and 300-kilowatt-hour engine-generator sets.
