## *A Message from Meera*

# Wanda Rasmussen Retires from AVEC

Wanda Rasmussen is a familiar face and voice to hundreds of power plant operators across the state. She probably has spent some 15,000 hours on the telephone during the past 21.5 years with our operators in the field, seeking ways to meet their many and varied needs, all while keeping up with her own growing family and her extracurricular activities.

Wanda joined the AVEC family in May 1993 in the operations and maintenance department. She quickly became an indispensable member of the team and has been our field coordinator since 2003. She has been a key source of support for plant operators and our field staff in every aspect of their varied duties.

In addition to Wanda's unfailing dedication to her AVEC team, Wanda found time every year to reach out to help with Alaska's Great Race: the Iditarod. Wanda has touched our Alaskan communities by serving as a volunteer cook along the Iditarod trail. She also crafts handmade quilts for children in local hospitals.

Wanda's heart is large enough to cover the entire state—and we will miss her dearly as she explores new paths in her life. We wish her the very best in her well-deserved retirement!
