Name	Relationship	Social Security No.	* Initials of Applicant

By signing my initials in the right-hand column, I hereby appoint this person to act as my attorney-in-fact to connect and disconnect electrical service on this membership, to receive all funds on my behalf, and otherwise to represent and act for me with respect to such service, and I hereby confirm and ratify whatever he/she may do in that regard. I understand that this appointment does not grant voting rights for my membership. ****If you do not wish to appoint this person to those rights outlined and implied above, do not initial - that is not required****

Agreement

The applicant hereby grants at no cost to the Cooperative, a right-of-way easement to construct, operate and maintain electric lines or systems on the land where service is required, and in or upon all streets, roads or highways abutting said land, necessary to furnish electric service to the applicant and others in the immediate area. I agree to comply with Alaska Village Electric Cooperative, Inc.'s Bylaws and its regulations and tariffs as amended. I agree to purchase from the Cooperative all electric energy purchased for the use on the premises served, pursuant to such membership. I agree to provide safe and unobstructed access to premises to AVEC's employees and to promptly pay all AVEC bills by the due date and agree to the fess outlined in the Tariff. I understand that my failure to comply can result in suspension of service and termination of membership. It is mutually agreed that acceptance of this application constitutes a contract which will continue until termination as provided in AVEC's Tariff, which is available upon request at AVEC.
